Coast Community College District Travel and Conference Expense and Reimbursement Guide

INTRODUCTION

This guide provides comprehensive information regarding travel expenses and reimbursement procedures for employees of the Coast Community College District (District) and aligns with BP/AP 7400 (rev. July 2024). It is essential to adhere to BP/AP 7400 and these instructions.

1) GENERAL INFORMATION

- a. **Conference Authorization Request:** Employees traveling on district business must obtain approval from the College President, Vice Chancellor, or Chancellor (or designee), as applicable.
 - i. Approval requests are submitted electronically on the District **Conference Authorization Request Form (CAR)**.
 - ii. The CAR must be completed and approved before costs are incurred.
 - iii. The CAR should be submitted as soon as possible to allow sufficient time for the approval process and to take advantage of any early registration discounts.
 - iv. Attach the registration form/brochure/agenda showing the dates, location, and cost of the conference.
 - v. The approved CAR provides the attendee with the authorization to travel; a separate travel authorization letter will no longer be issued.

- b. **Arrival and Departure:** Attendees are expected to arrive as close to the conference start day and time as possible and depart upon the first available transportation following the last session, except for reasonable business purposes. For international travel, please see allowable expenses below.

- c. **Cost of Transportation:** All employees **MUST** use the most economical mode of transportation (vehicle rental, airfare, etc.) where practical and in the best interest of the District. No exceptions will be allowed.

- d. **Payment:** Payments for conferences, hotels, and travel can be made using the three following methods. It should be noted that many conferences require on-line registration, and the use of a credit card is required.
 - i. The attendee may use their personal credit card and request reimbursement.
 - ii. A District-issued procurement card (credit card) may be used. The card's authorized user must process the payment.

- iii. The attendee can prepare a Purchase Order Request (POR) form for conference registration, air travel, and hotel deposit. The completed, approved POR is forwarded to District Accounting, who processes check(s) and mails to vendor(s) or obtained by the attendee. Additional time should be allowed for the processing of the POR. See the **Purchase Order Request** section at the end of this document for details.
 - iv. ***A Reimbursement Claim Form and receipts for all allowable expenses must be submitted for all travel regardless of the payment method.*** See the **Reimbursement Request** section for details.
- e. **Travel Advances:** Advances may be granted. In the event that an advance is needed, which are not available for non-district funded events, instructions for advances are detailed in the **Travel Advance** section at the end of this document.
